

## R.H. Barringer Package Type Guide

This Guide will help you find the exact product you want to purchase. It shows the most common Package Types used for the products sold in DSDLink. These are only the most common packages – there are others. Note that different Brands are offered in different Packages. DSDLink will show you exactly what is available to buy!

Every DSDLink Product description has a Brand name and a Package description. Here is an example:
